### Stop APTs Dead

*Leo Versola, Strategic Sales Engineer,  
AhnLab*

Dealing with advanced threats is tricky and complex. But the possibility of the severe damage it can cause to a business is why we need to take aggressive but accurate measures. To effectively respond to evolving targeted attacks, a multi-dimensional solution is required in addition to traditional response systems.

Visit us in the Expo and Briefing Center, attend our presentation and get fast facts to aid you in making strategic plans and purchase decisions for your organization.
